A Message from Fr. Sergio

I am Father Sergio Rodriguez Rodriguez. I was born on August 01, 1987, in a little town called Chaparral in Colombia. I am the second of three children in my family. I am 31 years old and was ordained a priest on May 18, 2019 for the Archdiocese of Milwaukee.

Throughout my life I have felt the love and mercy of God, manifested many times by many people and many things that one can only see with the glasses of faith, because there are blessings all the time. One of these, and the most important, I think, is the calling to the priesthood. Since I was a child, I felt that I needed to serve God in a different way or in a special way. I felt that I could serve God in the Church by means of priesthood. There were countless signals and times that God was present in my life and the life of my family. These manifestations of God created the closeness and intimacy of my relationship with Him. I want to continue growing in that relationship with the Lord every day and help His people grow in their relationship with Him too. I have a very special devotion to the Blessed Mother, and I will pray to Her for all of you and your families.

I am happy to be part of this Tri-Parish Community and I hope my presence and my ministry here will be a good opportunity for all of you to get close to God, and His blessed mother.

Blessings to all,
Fr. Sergio
