Annual Life Chain on Respect Life Sunday
October 7th from 2-3 PM
You are invited to join your fellow parishioners participating in the Annual Life Chain on Respect Life Sunday, October 7. LIFE CHAIN is a peaceful and prayerful public witness of pro-life individuals standing for 60 minutes praying for our nation and for an end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children and that the Church supports the sanctity of human life from the moment of conception until natural death.

Please considering attending from 2-3 PM in front of St. Mary Church. People of all ages are invited to come. Please bring a chair if you need one. Signs are provided as well as prayers that may be recited during this time.

Vocation Retreat October 12-14
The Carmelite Sisters of the Divine Heart of Jesus are inviting single, Catholic young women, ages 18-35. Come, spend a weekend with us to experience and learn our life of prayer and apostolic works. Meet other young women discerning their own calling. We hope this weekend will be an enriching experience enabling you to discern God’s will more deeply. 1230 Kavanaugh Place, Wauwatosa, WI. www.carmelitecjnorth.org

Immaculate Conception (St. Mary) 180th Anniversary Celebration December 8, 2018

Think of all of who came before us in order for our community to have the vibrant parish we have today. We would like you to join us Saturday, December 8th for the 4:30 PM Mass as we celebrate our 180th anniversary. Let’s plan to “Fill the Church”.

In celebration of our 180th anniversary we are sharing St. Mary Fun Facts. We will present a fun fact each week. The answer will be in the bulletin. This week’s question is….

What building on our parish campus was built by local families in 1859?

The stone church annex was built in 1859 by the families of our parish. The stones were dug from the family’s farm fields during the week and hauled in by a wagon on Sunday. They celebrated mass and then worked on the church for the remainder of the day. A ramp was built to raise the rocks at each level. Rumor has it that the ramp eventually extended to Schemmer Street in order to get the rocks to the highest level. This building still is the oldest gothic stone structure in the Midwest.

Please check to see if you have historical information and/or pictures that you would like to share. We would like to document this special occasion. We plan to have a guest book and to take commemorative photos.

Let’s “Fill the Church” on December 8th, 2018 for our 180th Anniversary and have them "Hanging from the rafters".

-St. Mary 180th Anniversary Committee
