Let's Work to Keep K-12 Catholic Education Affordable

As Catholic Central turns 100 years old in 2020, please consider giving to this year's special Annual Fund Drive. Your prayerful contribution will help keep your high school affordable to all Catholic children, where teaching them how to learn, and also how to live, is our mission.

"When we work FOR each other, we can accomplish so much!"

The life of the parish depends on good Catholic Education. 40% of Catholic educated children grow up to attend weekly mass versus only 5% of their public school counterparts.
